#### Bulk

Bulk segment produces and sells vegetable-based edible oil and fat products in bulk form primarily to distributors and factories involved in the production of confectionery, bakery products and other food items. Additionally, the Group also produces bioenergy products as part of its bulk products offerings.

Sourcing of raw materials

#### Consumer Pack

Consumer pack segment produces vegetable-based edible oil and fat products, in consumer pack form and sell under own brands and under the brands of third parties, primarily to importers and distributors at destination markets. Dairy related products, soap, and rice are also part of the Group's Consumer Pack portfolio, which serves as additional stream of income and help to better serve existing customers, as they normally deal in a basket of commodities.
