

Year 2018 Supplier Engagement Workshop

Venue: Mewah Oils Sdn Bhd

1. On 18th October 2018, we hosted the fifth “AAK-Mewah-Proforest Supplier Engagement Workshop” at Mewah Oils Sdn Bhd, Port Klang, Selangor, Malaysia.
2. In this workshop, we had successfully gathered 20 major palm oil mills and 2 kernel crushing plants from central region in Peninsular Malaysia. The turnout rate was enormous where more than 40 participants have registered themselves to the workshop.
3. It is also our honour to welcome representatives from Alfa Laval to introduce CPO washing technology and provide solutions for reducing 3-MCPD esters and glycidyl esters from the palm oil processes.
4. The supplier engagement program has provided us the opportunity to socialize the AAK Sustainable Palm Oil Policy and Mewah Sustainable Palm Oil Policy with our direct suppliers, providing everyone a decent platform to discuss the implications and requirement of adopting similar policies.
5. The focus for this workshop is “Labour & Human Rights” – with the primary objectives of educating the participants on the business value of having a sustainable supply chain and to increase understanding on the requirements on labour and human rights challenges that are commonly discuss in Today’s marketplace.
